

# INTERMEDE - Cross-Sectional Survey on Patient-Physician Interaction and Social Health Inequalities

Head :Lang Thierry, Unité Inserm 558, Faculté de Médecine de Toulouse

Last update : 10/01/2017 | Version : 2 | ID : 8264

## General

### Identification

Detailed name Cross-Sectional Survey on Patient-Physician Interaction and Social Health Inequalities

Sign or acronym INTERMEDE

CNIL registration number, number and date of CPP agreement, AFSSAPS (French Health Products Safety Agency) authorisation Accord CNIL

### General Aspects

Medical area Disability/handicap  
Psychology and psychiatry

Health determinants Social and psychosocial factors

Keywords Physician-patient relationship, social health inequalities, health care sought, treatment.

### Scientific investigator(s) (Contact)

Name of the director Lang

Surname Thierry

Address 37 Allées J Guesde, 31073 Toulouse Cedex

Phone +33 (0)5 61 14 59 35

Email thierry.lang@univ-tlse3.fr

Unit Unité Inserm 558, Faculté de Médecine de Toulouse

Organization INSERM

### Collaborations

### Funding

Funding status	Public
Details	Institut de Recherche en Santé Publique (IReSP), CHU Toulouse, Assurance Maladie
<b>Governance of the database</b>	
Sponsor(s) or organisation(s) responsible	INSERM
Organisation status	Public
Sponsor(s) or organisation(s) responsible	Université Paul Sabatier
Organisation status	Public
<b>Additional contact</b>	
<b>Main features</b>	
<b>Type of database</b>	
Type of database	Study databases
Study databases (details)	Not-repeated cross-sectional studies (except case control studies)
Database recruitment is carried out by an intermediary	A population file
Database recruitment is carried out as part of an interventional study	No
Additional information regarding sample selection.	The sample of patients was established in the waiting room of general practices. Recruitment of general practitioners was done in partnership with SMFG. A call for applications was sent to members of the SMFG network. Participating physicians were included on a voluntary basis with a target of 10 physicians per site.
<b>Database objective</b>	
Main objective	To clarify elements of physician-patient interaction that may explain, beyond social differences in health care sought by patients, differentiated treatment that may ultimately contribute to differences in health. - Consultation observation and semi-structured post-consultation interviews with patients and doctors independently. - Mirrored-

questionnaires where patients and physicians answered the same questions post-consultation.

Inclusion criteria	Patient inclusion: - at least 18 years old - not attending a general practitioner for emergency purposes - who are not attending their first consultation - not pregnant or have given birth within the last six months - who have signed the informed consent agreement
<b>Population type</b>	
Age	Adulthood (19 to 24 years) Adulthood (25 to 44 years) Adulthood (45 to 64 years)
Population covered	Sick population
Gender	Male Woman
Geography area	National
Detail of the geography area	Ile de France, Midi Pyrénées and Pays de la Loire
<b>Data collection</b>	
<b>Dates</b>	
Date of first collection (YYYY or MM/YYYY)	09/2006
Date of last collection (YYYY or MM/YYYY)	10/2007
<b>Size of the database</b>	
Size of the database (number of individuals)	[500-1000[ individuals
Details of the number of individuals	phase I:11 médecins généralistes/MP, 249 patients phase II:27 médecins généralistes/MP, 585 patients
<b>Data</b>	
Database activity	Data collection completed
Type of data collected	Declarative data
Declarative data (detail)	Paper self-questionnaire Face to face interview

Presence of a biobank	No
-----------------------	----

Health parameters studied	Health care consumption and services Quality of life/health perception
---------------------------	---

Care consumption (detail)	Medical/paramedical consultation
---------------------------	----------------------------------

## Procedures

Participant monitoring	No
------------------------	----

Links to administrative sources	No
---------------------------------	----
