## - Cross-sectional study of precarious situations, perceived health and mixed anxiety-depressive disorders

Head :Royer Bernard Gusto Gaelle Tichet Jean

Last update : 10/20/2017 | Version : 1 | ID : 73167

General	
Identification	
Detailed name	Cross-sectional study of precarious situations, perceived health and mixed anxiety-depressive disorders
CNIL registration number, number and date of CPP agreement, AFSSAPS (French Health Products Safety Agency) authorisation	CNIL
General Aspects	
Medical area	General practice
Health determinants	Lifestyle and behavior Social and psychosocial factors
Keywords	Precarity, mixed anxiety-depressive disorders, psychotropic drugs, state of health, quality of life
Scientific investigator(s) (Contact)	
Name of the director	Royer
Surname	Bernard
Phone	+33 (0)2 47 36 36 36
Email	bernard.royer@irsa.asso.fr
Organization	Institut interrégional pour la santé (IRSA)
Name of the director	Gusto
Surname	Gaelle
