Pathology (details)	CANCER
---------------------	--------

Health determinants	Lifestyle and behavior
---------------------	------------------------

### Scientific investigator(s) (Contact)

Name of the director	FAVEYRIAL
----------------------	-----------

Surname	Audrey
---------	--------

Address	CENTRE FRANCOIS BACLESSE - CAEN
---------	---------------------------------

Phone	231455050
-------	-----------

Email	a.faveyrial@baclesse.unicancer.fr
-------	-----------------------------------

Organization	FRANCOIS BACLESSE CENTRE
--------------	--------------------------

### Collaborations

Participation in projects, networks and consortia	No
---	----

### Funding

## Governance of the database

Sponsor(s) or organisation(s) responsible FRANCOIS BACLESSE CENTRE

Organisation status Both

Presence of scientific or steering committees No

## Additional contact

Name of the contact LECONTE

Surname Alexandra

Address 3 avenue du Général Harris - 14076 CAEN cedex

Email a.leconte@baclesse.unicancer.fr

Organization François Baclesse Centre

## Main features

### Type of database

Type of database Others

Specify data obtained from medical records

Study databases (details) Cohort study

Database recruitment is carried out by an intermediary A selection of health institutions and services

Database recruitment is made on the basis of: Another treatment or procedure

Database recruitment is carried out as part of an interventional study No

Additional information regarding sample selection. Recruitment of patients and healthcare professionals

### Database objective

--------------------	---

## Population type

Age	<ul style="list-style-type: none"> <li>Adulthood (19 to 24 years)</li> <li>Adulthood (25 to 44 years)</li> <li>Adulthood (45 to 64 years)</li> <li>Elderly (65 to 79 years)</li> <li>Great age (80 years and more)</li> </ul>
-----	---

Population covered	Sick population
--------------------	-----------------

Pathology	C00-C97 - Malignant neoplasms
-----------	-------------------------------

Gender	<ul style="list-style-type: none"> <li>Male</li> <li>Woman</li> </ul>
--------	---

Geography area	Regional
----------------	----------

French regions covered by the database	Normandie
--	-----------

## Data collection

### Dates

Date of first collection (YYYY or MM/YYYY)	2020
--	------

Date of last collection (YYYY or MM/YYYY)	2021
---	------

### Size of the database

Size of the database (number of individuals)	[500-1000[ individuals
--	------------------------

Details of the number of individuals	808
--------------------------------------	-----

## Data

Database activity                      Current data collection

Type of data collected              Clinical data

Clinical data (detail)                Direct physical measures

Presence of a biobank                No

## Procedures

Participant monitoring                Yes

Monitoring procedures                Monitoring by contact with the participant (mail, e-mail, telephone etc.)

Links to administrative sources      No

## Promotion and access
